- Internet Programming,
- Discrete Math
- Intro to Data Structures and Algorithms
- IT Project Management
- Microsoft Office Certifications, MOS Certiport

🏆 Extra-curricular activities

Speech & Debate Team at University of North Texas, Denton, TX

August 2021 — May 2025

As a member of the North Texas speech and debate team I have achieved both great competitive success representing my university on the national stage, as well as professional experience that will help me in any job I choose to pursue. In particular, the diversity of ideas and people I have met through my time competing has taught me valuable collaboration and research skills when putting together and executing projects.
