

Zachary Jones

Software Development Internship

zachkjones512@gmail.com
2818145590

2601 W Oak St, Apt 937, Denton,
76201, United States

Profile

Zach is a junior at the University of North Texas looking for his entry into the software or game programming fields. At North Texas, Zach is an honor roll student, a recipient of the prestigious presidential scholarship, a nationally successful member of the speech and debate team, a member of the computer science club, as well as taking a litany of classes across the computer science department.

Employment History

Assistant Speech and Debate Instructor at Coppell ISD, Coppell, TX

08/2022–05/2023

- Learned important teaching skills that ensure I can effectively bridge knowledge gaps between myself and peers
- Worked with people from a diversity of social situations, teaching me critical communication and research skills that will serve me in the professional field particularly in learning situations
- Organized, constructed, and executed curricula in a professional environment with a team of peers

Education

Bachelor's in Information Technologies, University of North Texas, Denton, TX

08/2021–05/2025

- GPA 3.583, 2x President's List, 4x Dean's List
- Focus in Software and Game Programming

Extra-curricular activities

Speech & Debate Team at University of North Texas, Denton, TX

08/2021–05/2025

As a member of the North Texas speech and debate team I have achieved both great competitive success representing my university on the national stage, as well as professional experience that will help me in any job I choose to pursue. In particular, the diversity of ideas and people I have met through my time competing has taught me valuable collaboration and research skills when putting together and executing projects.
